

# Edison Manufacturers Network

Center for Innovative Food Technology  
and TechSolve

Fri., July 23, 2010

# Agenda

1. TechSolve introduction
2. Home Page
3. Member Search
4. Procurement
5. Blog / Classified / Calendar
6. Registration
7. Q and A

# Mission Statement

**To increase the revenues of Ohio companies by facilitating transactions between buyers and sellers and providing in-depth information regarding Ohio's manufacturing capabilities to potential investors in the Ohio economy.**

# What is it?

Ohio manufacturers are seeking assistance in finding new business opportunities. Currently a gap exists between buyers and sellers of manufactured goods and services.

The purpose of EMN is to connect manufacturers and service providers in order to effectively procure and sell manufactured goods.

# Next Steps

**Contact - Jon Lehn, TechSolve, Edison Manufacturers  
Network Manager; 513.948.2030; [lehn@techsolve.org](mailto:lehn@techsolve.org)**
